BOARD OF TRUSTEES' REPORT

For the year ended 31 March 2012

The Trustees (who are the trustees for charity law purposes) submit their annual report and the financial statements of The Akshaya Patra Foundation UK for the year ended 31 March 2012. The Board of Trustees confirm that the annual report and financial statements of the Charity comply with current statutory requirements, the requirements of the Charity's governing document and the provisions of the Statement of Recommended Practice (SORP) 'Accounting and Reporting by Charities (revised 2005)'.

Structure, governance and management

The Charity is an unincorporated foundation, constituted under a Trust Deed dated 7 November 2006 which was amended 8 May 2010 which was in turn supplemented by a Supplemental Trust Deed on 26 April 2012. The charity's registered number is 1117756. The current Trustees were appointed by Vasudevan Vishalam Chandrasekharan of The Akshaya Patra Foundation, Bangalore.

Subsequently, every Trustee must be appointed for a term of three years by a resolution of the Trustees passed at a special meeting called under clause 15 of the Trust Deed.

The Trust Deed provides for a minimum of 3 trustees. New trustees are appointed by the existing trustees and serve for three years. In selecting individuals for appointment as Trustees, the Trustees consider the skills, knowledge and experience needed for the effective administration of the Charity. Induction of new trustees will involve initial meetings with other Trustees and key staff members, training on the role of a trustee and a presentation of the foundation's history and current strategy.

The UK Board comprises of 4 Trustees, each bringing in experience from their respective fields.

The 4 Trustees are:

Harin Thaker (Chairman)

Ex-Head of Real Estate Finance International Deutsche Pfandbriefbank AG

C C Das

(Chandrasekharan VV)
Programme Director for The Akshava Patra Foundation in India

Ravindra Chamaria

Chairman & Managing Director Infinity InfoTech Parks Ltd

Abhishek Khaitan

Partner, Bower Cotton Khaitan

The Trustees agree the broad strategy and areas of activity for the Charity including fundraising, reserves and risk management policies. The day to day running of the Foundation inline with the strategy set by the Board, is delegated to the President/Chief Executive.

The Charity currently has a strong team of 7 advisory board members in the UK and very often, joint advisory and Trustee meetings have been held.

BOARD OF TRUSTEES' REPORT

For the year ended 31 March 2012

The Trustees and Advisory members are encouraged to visit the operations in India, the kitchen where the meals are prepared and some of the schools which receive these meals. Trustees are encouraged to connect with the office regularly for updates and even in any important day to day decision making.

All trustees give their time freely and no trustee remuneration was paid in the year. Trustees are required to disclose all relevant interests and withdraw from decisions where a conflict of interest arises. All transactions with related parties during the year are disclosed in Note 14. The Charity has close ties with The Akshaya Patra Foundation India which is also the main beneficiary of the Charity's charitable expenditure.

Risk Management

We are committed to a policy of identifying, monitoring and managing the risks that might adversely affect the activities in which we are involved. In this context, risk is defined as the potential to fail to achieve charity objectives and for loss, financial and reputational, inherent in the environment in which we operate in the nature of the transactions undertaken.

Public Benefit

The Trustees have complied with the duty in Section 4 of the Charities Act 2006 and have paid due regard to public benefit when preparing this report. The benefit provided to the public is consistent with the aims of the charity in UK.

Objectives and activities

The Akshaya Patra Foundation UK believes that no child should be deprived of an education because of hunger. The office aims to create awareness about the mid-day meal programme in Indian state run schools for the underprivileged. 100% of the donations received from the general public are used to fulfil their mission in feeding children. This delivery of the mission is achieved through The Akshaya Patra Foundation India.

Operational costs for this year have been sponsored by donations from the Trustees. This is as part of their commitment to cover all operational costs until March 2013. Trustees contributions are included under donations in the financial statements.

To raise awareness, the Charity organises events from time to time and is creating a team of volunteer ambassadors to spread the word and help in fundraising activities.

Achievements and performance

We have had an exciting year with many of the initiatives making a real and increased contribution to our fundraising income. Our strategy to host stewardship event and various small reception dinners has helped us built a strong network of ambassadors who have helped in spreading the word about the charity in the most economical way. The two big events in June and July 2011, helped generate most of the income for the year.

BOARD OF TRUSTEES' REPORT

For the year ended 31 March 2012

Financial review

The Charity currently aims to hold a maximum of six months running costs in reserve and designate the remainder for the main objective of the foundation. Based on management projections for the six months to 30 September 2012 this would result in a reserves target of £101,000. At 31 March 2012 free reserves, i.e. general funds, amounted to £101,000 which meets this target.

The Charity's principal funding sources are donations from the general public and corporate donations.

Plans for future periods

The Charity plans to develop new ideas on fundraising and set up specific times to hold events which should become an annual feature. A large event should be held in the last quarter of the financial year starting from 2012. Besides events, the Charity is aiming on achieving its targets through various corporate donations and by identifying and applying for grants to trusts and foundations whose focus match with the main activities of the Charity.

Statement of Board of Trustees's responsibilities

The Board of Trustees are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

Charity law applicable to charities in England/Wales requires the Board of Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of the surplus or deficit of the Charity for that period. In preparing those financial statements the Board of Trustees have:

- selected suitable accounting policies and applied them consistently,
- made judgements and estimates that are reasonable and prudent,
- stated whether applicable accounting standards have been followed, subject to any material departures
 disclosed and explained in the financial statements; and
- prepared the financial statements on a going concern basis (unless it is inappropriate to presume that the Charity will continue in operation).

The Board of Trustees have overall responsibility for ensuring that the Charity has an appropriate system of controls, financial and otherwise. They are also responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the detection and prevention of fraud and other irregularities.

The Board of Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the Charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Charity's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Board of Trusteess; and the overall presentation of the financial statements.

In addition, we read all the financial and non-financial information in the Report of the Board of Trustees to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

NOTES TO THE FINANCIAL STATEMENTS For the year ended 31 March 2012

1. ACCOUNTING POLICIES

Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention and in accordance with the Statement of Recommended Practice (SORP), "Accounting and Reporting by Charities" published in 2005, applicable accounting standards and the Financial Reporting Standard for Smaller Entities (effective April 2008).

The effects of events relating to the year ended 31 March 2012 which occurred before the date of approval of the financial statements by the Board of Trustees has been included in the financial statements to the extent required to show a true and fair view of the state of affairs at 31 March 2012 and the results for the year ended on that date.

Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objects of the Charity and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Incoming resources

All incoming resources are included in the Statement of Financial Activities when the Charity is legally entitled to the income and the amount can be quantified with reasonable accuracy.

Gifts donated for resale are included as income when they are sold. Donated facilities are included at the value to the Charity where this can be quantified and a third party is bearing the cost. No amounts are included in the financial statements for services donated by volunteers.

Income tax recoverable in relation to investment income or Gift Aid donations is recognised at the time the relevant income is receivable.

Resources expended

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities proportionately to staff costs.

Costs of generating voluntary income are those incurred in seeking voluntary contributions. Fundraising trading are costs incurred in operating the Charity's shop. Governance costs include the costs of servicing Trustees' meetings, audit and strategic planning.

Irrecoverable VAT is charged against the category of resources expended for which it was incurred.

NOTES TO THE FINANCIAL STATEMENTS For the year ended 31 March 2012

Tangible fixed assets and depreciation

All assets costing more than £500 are capitalised.

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Fixtures, fittings and equipment - 4 years

Finance and operating leases

2. VOLUNTARY INCOME

Rentals applicable to operating leases are charged to the Statement of Financial Activities over the period in which the cost is incurred. Assets purchased under finance lease are capitalised as fixed assets. Obligations under such agreements are included in creditors. The difference between the capitalised cost and the total obligation under the lease represents the finance charges. Finance charges are written-off to the Statement of Financial Activities over the period of the lease so as to produce a constant periodic rate of charge.
